

BBM On the Zine

Welcome to the month that brings us Super Tuesdays and March Madness! It tends to come in like a lion and leave like a lamb. It teases us with Spring and then hits us with a few more cold mornings. When warmer weather comes, more metal starts going up. We get a little busier and the days get longer, literally. I pray we are all reminded of our blessings, and strive to meet each day with all the joy, wonder, and enthusiasm you can muster. God Bless!

Zine- Pronounced (zeen), a noncommercial often homemade or online publication usually devoted to specialized and often unconventional subject matter written by people who are not professional writers

Best Buy Metals has always balanced economic growth and financial stability, creating a uniquely comfortable workplace, where job security and growth potential can always be seen on the horizon.

Under Isaac's leadership, and his ability to discern between when to expand our market footprint or when to solidify our existing presence, Best Buy Metals continues to be a leader in the metal roofing industry.

In just six years, Best Buy Metals has increase personnel by 400%, opened two additional facilities, and experienced nearly a \$10,000,000.00 increase in annual sales. Determined to stay at the pinnacle of our industry, leadership is constantly generating new strategies for growth, quality control, policy improvement, and benefits for our employees.

Starting April 15, 2016 Best Buy Metals is happy to announce the introduction of our newest employee benefit, our first 401(k) plan. This plan will help employees, who wish to participate, create a retirement plan tailored to their personal needs. Educational booklets will be made available later this month to provide additional details regarding this plan.

It is my joy and pleasure to be able to work with each of you, and I look forward to a long career with Best Buy Metals, serving you and our customers to the best of my ability. As always, please contact me with any questions, concerns, positive words or simply if you need an ear to listen; I am here to serve you all.

- 6) What is your favorite Bible verse? **Psalms 18:1-2 "I will love thee, O Lord, my strength. The Lord is my rock, and my fortress, and my deliverer; my God, my strength, in whom I will trust; my buckler, and the horn of my salvation, and my high tower."**
- 7) What is your favorite movie, sports team, or song? **Huge Cleveland Ohio sports nut. Anything Buckeyes, Browns, Cavaliers, or Indians! O-H!!!!**

“Verses to ponder”

Titus 2:14- “(Jesus) who gave Himself for us to redeem us from all lawlessness and to purify for Himself a people for His own possession who are zealous for good works”

Hebrews 12:2- “Looking unto Jesus the author and finisher of *our* faith; who for the joy that was set before Him endured the cross, despising the shame, and is set down at the right hand of the throne of God.”

Isaiah 53:5- “But He was pierced for our transgressions; He was crushed for our iniquities; upon Him was the chastisement that brought us peace, and with His wounds we are healed.”

Fun Fact:

The **four-leaf clover** is a rare variation of the common three-leaved clover. It has been estimated that there are approximately 10,000 three-leaf clovers for every four-leaf clover.
