

# Best Buy Metals on the Zine

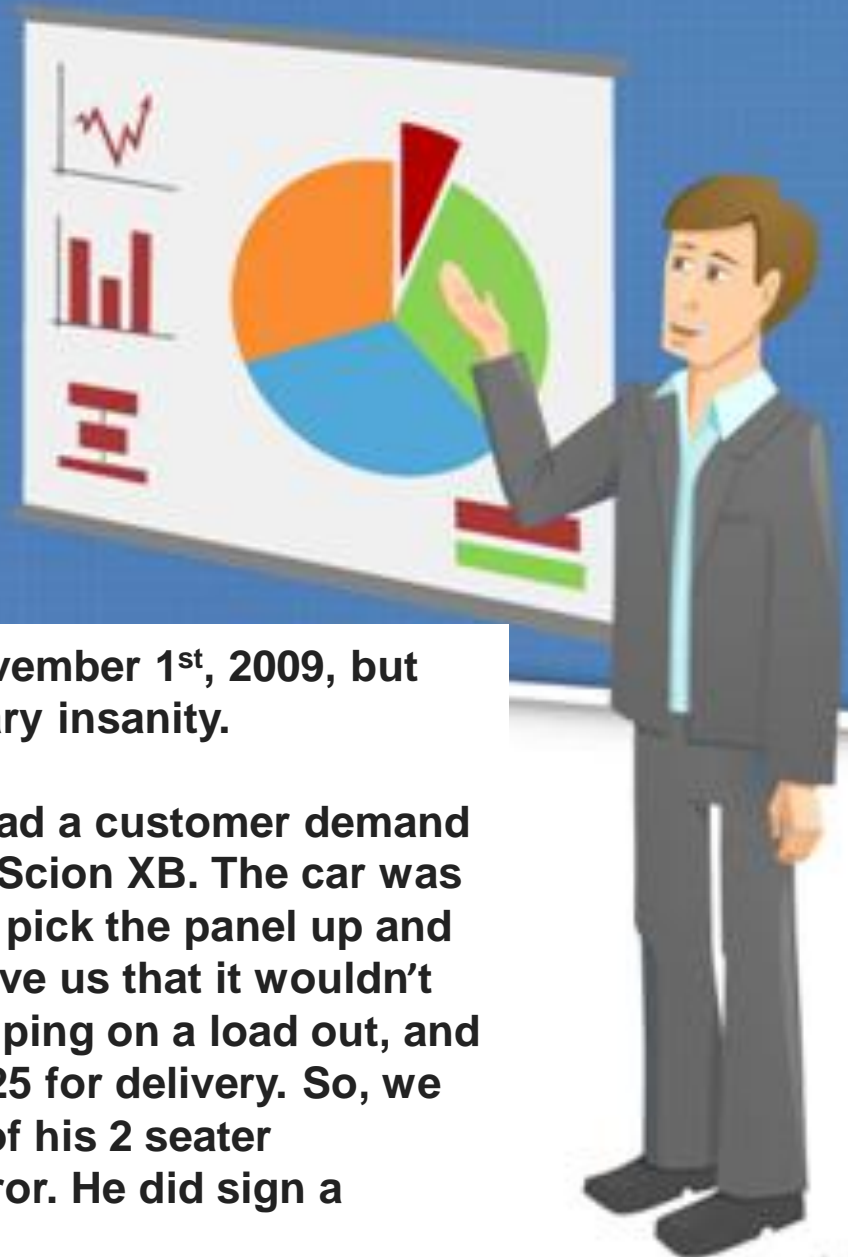

Greetings and salutations,

Welcome to the month of May! (seriously? already?) This month holds many celebrations: “**May the fourth be with you**” (guess what day that’s on), **Cinco De Mayo** (guess what day that’s on), **Mother’s Day** (better not forget that day), and wrapping up with the landmark holiday (no pun intended) **Memorial Day**. A hardy congratulations to all those graduating or have graduates. And, of course, schools out!!

By now, metal is steadily rolling out the door. We’ve got some big months ahead. Everybody’s job counts!! Let’s keep it rolling!

**Outside Sales**

- 1) How long have you been with the company? **November 1<sup>st</sup>, 2009, but had a short leave of absence. I claim temporary insanity.**
- 2) Married? **Nov 17<sup>th</sup> 2003** Kids? **3 boys, 1 girl**
- 3) What's the craziest request from a customer? **Had a customer demand we load a single 22' long panel on top of his Scion XB. The car was about 8' long so you can imagine. We had to pick the panel up and put it near his little car before he would believe us that it wouldn't work. Also, While working at Sears, I was helping on a load out, and we had a customer who didn't want to pay \$25 for delivery. So, we loaded a Nordetrack treadmill into the back of his 2 seater convertible porche. You can imagine my horror. He did sign a liability form.**

**Texas**
- 5) What is your favorite thing about working at Best Buy Metals? **I love that I'm allowed to help our customers, with some restrictions obviously. But, they trust my judgement, so it usually works out. I love being an advocate for our customers and building relationships with them.**
- 6) What is your favorite Bible verse/ Inspirational saying? **James 5:16 "Therefore, confess your sins to one another, and pray for one another so that you may be healed. The effective prayer of a righteous man can accomplish much."**
- 7) What is your favorite movie, sports team, or song?  
**"Caddy Shack" original. Both are pretty good.**
- 8) Leave us with a final thought. **Nothing is as bad as it seems. It all has to do with your view. Things can always get worse by being pessimistic and doubtful.**

# To Moms, Mothers, and Mommys to be

This is your day. It may not be filled with all the pomp and circumstance that you deserve, but know that you are worthy of heart felt praise. Know that you are never forgotten by God. Know that you are highly favored. Know that you are leaving a mark on your child that will last their lifetime. Know that your husband will never understand your heart to the fullest because God made you out of different stuff. God made you to see compassion and grace the way He sees it. He made you to feel the love that consumes all faults, forgives on a whim, and stands behind your child through life's toughest battles. May God bless you through every diaper change, spit up stain, late night, pull your hair out- I just cleaned that up- where is your father- I will give you something to cry about- moment! May they be wiped away with the memory of the words I love you mommy .

*Happy Mother's day*

# Have a Little Faith!!

## Hebrews 11:1, 3, 6-7

<sup>1</sup> Now faith is the substance of things hoped for, the evidence of things not seen.

<sup>3</sup> By faith we understand that the worlds were framed by the word of God, so that the things which are seen were not made of things which are visible.

<sup>6</sup> But without faith *it is* impossible to please *Him*, for he who comes to God must believe that He is, and *that* He is a rewarder of those who diligently seek Him.

<sup>7</sup> By faith Noah, being divinely warned of things not yet seen, moved with godly fear, prepared an ark for the saving of his household, by which he condemned the world and became heir of the righteousness which is according to faith.

Memorial Day, originally called Decoration Day, is a day of remembrance for those who have died in service of the United States of America. It was borne out of the Civil War. It is now observed in almost every state on the last Monday in May with Congressional passage of the National Holiday Act of 1971 . We honor the estimated 1.8 million that gave their life in battle for America since 1775.

**National memorial** is a designation in the United States for a protected area that memorializes a historic person or event. There are 30 national memorials.

# “Congratulations”..if you guess correctly

1) How can you throw a ball as hard as you can and have it come back to you, even if it doesn't bounce off anything? There is nothing attached to it, and no one else catches or throws it back to you.

2) Number puzzle!! Two friends are chatting:

- Peter, how old are your children?
- Well Thomas, there are three of them and the product of their ages is 36.
- That is not enough ...
- The sum of their ages is exactly the number of Cokes we have drunk today.
- That is still not enough.
- OK, the last thing is that my oldest child wears a green cap.

How old were each of Peter's children?

3) For fun!! How did the animals come to Moses when they loaded the ark?
