**February 2016**

Newsletter??? What in the world is this? Well, let me start by saying good morning. Hope all is well with everyone, and I hope that your year has gotten off to a great start. To answer your questions, this is a feeble attempt to bring a brilliant group of minds together to fine tune our focus and provide a brief get a way from the daily grind that is the metal roofing business. In other words, a little fun time during work. Please allow a couple minutes of your time to peruse through the pages and give your mind a break. Stick around till the end, it may benefit your pocket book. See, now I've got your attention! God bless!

## *A Word from Isaac*

- When I step back out of the environment of every day routine, that's when I begin to appreciate things even more . Just like right now, as I am in Haiti trying to follow God's plan to the best of my ability, my mind goes back to each one of you. Nothing I can say will ever convey the amount of gratitude I owe to you all, my friends, my coworkers. It's so much because of you and your dedication that allows God's plan in Haiti to be carried out. For that, I am so very grateful.
- I want to take just a minute and encourage you all to put God first always in everything you do. Time is too short , and as the Bible says, "Life is but a vapor." Here today and gone tomorrow. Only what we do for Him will last. Although we must work and provide for our family's, we still can keep Him first through it all.
- Speaking of families, that is also something I'm very passionate about! Families are so very important. God not only requires us to take care of our family but also gives us the great privilege to love and cherish them . Those with children, as you know, time flies by so very quickly. Before you even blink they're nearly grown. Please spend as much time as you can with your precious little ones . Many older and wiser than I have told me their main regret was not spending more time with their family as they grew up. So, I encourage you today. Love, laugh, and serve the God that gave us the breath to enjoy!

All right time for some trivia.

- 1.) At Gettysburg, PA, Abraham Lincoln delivered his famous Address to all in attendance. We all know how it began....."Four score and seven years ago...." This year being 2016, how many score and years ago did that event take place?
- 2.) Chad claims that last year he shot 5 deer. Isaac actually shot twice as many, but that was still half as many as Jimmy says he shot. Cody claims that Jimmy is stretching his numbers and only shot a fourth of that amount. If that is true, who actually shot the most deer and who has the bragging rights?
