

BBM on the Zine (zeen)

Good day everyone!

Hope your Spring is still looking good. With $\frac{1}{4}$ of our year now over, we are in full swing gearing up for some busy months ahead! And the weather?? Well, it is guaranteed to be like one of the 5 pictures below. Take your pick.

As you now know, my position at Best Buy Metals has recently changed. I am blessed with the task of filling the very large shoes of one of BBM's most loved people, Pamila Arias (no she doesn't really have big feet, and no I'm not putting her shoes on.) Let us wish her the best as she embarks on a new journey in life.

What you might not know about Mrs. Pam

- 1) How long have you been with Best Buy Metals? **6-1/2 years**
- 2) Your name is technically spelled Pamila. Why the "I"? **That's the way my parents wanted to spell it.**
- 3) What is your favorite thing about best Buy Metals? **The Christian atmosphere.**
- 4) What is your favorite Bible Verse? **Psalm Chapter 23. No matter what we face in life, if we keep our eyes on Jesus and keep our trust in Him, He will lead and guide us. He'll make provision for you. He'll make a way where there seems to be no way. Proverbs 3:5-6 says, "Trust in the Lord with all your heart. Lean not to thine own understanding. In all your ways acknowledge Him and He will direct your path."**
- 5) Favorite place to eat? **Cracker Barrell (for me and the grandkids) Zaxby's (Justin and I)**

6) What are some funny things you've witnessed over the years? One day, the owner, almost knocked himself out with "his" office door trying to scare me. He cut his head open! We had to use a butterfly bandaid. (poor boss!)

I remember the day I threw a water bottle and hit him right between the eyes. It really surprised him!

7) Leave us with a final thought. I will be praying for Isaac and Angel as they give themselves to God and the work in Haiti. It has been a pleasure working for them and with them. So thankful I could help. It has been a pleasure working with everyone at Best Buy Metals. We've had a lot of good times. You will be in my thoughts and prayers. Remember, Hebrews 13:5-6 "For He hath said, 'I will never leave thee nor forsake thee.' So that we may boldly say, 'The Lord is my helper and I will not fear what man shall do unto me.'"

“Opening Day”

This is the day on which professional baseball begins it’s regular season. It takes place the first week in April. Opening Day is a state of mind as well, with countless baseball fans known to recognize this unofficial holiday as a good reason to call in sick at work or be truant from school. The Pittsburgh Pirates and the Cincinnati Reds played the first game in history on Opening Day in 1882.

April has celebrated a couple of significant Opening Days in it’s recent past. Both the Chattanooga store and the Asheville store opened it’s doors in April of 2010 and 2013 respectively. I think we’re due for another grand opening. How about Best Buy Metals of Honolulu??

Who added another run to their total this year??

Verses To Consider

Psalms 1:1-3

- 1** Blessed *is* the man that walks not in the counsel of the ungodly, nor stands in the way of sinners, nor sits in the seat of the scornful.
- 2** But his delight *is* in the law of the LORD; and in his law does he meditate day and night.
- 3** And he shall be like a tree planted by the rivers of water, that brings forth his fruit in his season; his leaf also shall not wither; and whatsoever he does shall prosper.

Puzzle Time

$$a^2 + b^2 = c^2$$

- 1) Two American coins added together equal \$.30. One of them is not a nickel. Which coins are they?
- 2) The numbers game: if I said, $24 = \#$ of h. in a d., you would say "hours in a day." See if you can figure out this one: $9 = \#$ of p. in the s.s.
